Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.

When designing multiple page documents,
it is not necessary to provide your files
in reader or printer spreads.

Margin →

For best results keep text and images that must
be seen and read at least 1/8" from edge of page.

← **Bleed**

For borderless edges, extend images,
photos and/or solid background colors
1/8" beyond the edge of the page. This
area (yellow) will be trimmed during the
finishing process. It should not contain any
information you intend to be seen or read.
